## 7PM CONCERT WITH ALL PARTICIPANTS!

Join us for a day of workshops and performance of the most exciting forms of contemporary performance and composition. Special guests include dancer Silke, on tour from the Netherlands, sharing her original dance choreography and techniques, and master Soundpainters Evan Mazunik and Dennis Shafer teaching inter-disciplinary Soundpainting. Also ChagallPAC artists Diana Norma and Jason Felitto will give Cageian writing and composition workshops in I Ching music and Mesostic poetry. This intensive day of workshops will leave you with your own musical/literary/dance compositions, collaborations with others, and new methods explore performance art across disciplines.
